## INTRODUCTION

The Beacon Health Options NY Provider Relations Team is proud to present this Provider Guide, specifically for the GHI/EmblemHealth EPO/PPO accounts.

As part of our continuing commitment to our provider network, this guide was designed to make participation with our networks easier for both practitioners and facilities alike. Inside you will find valuable information about the GHI/EmblemHealth EPO/PPO accounts including authorization processes and claims payment guidelines.

If you have any questions or comments about the material in this guide, feel free to contact Provider Relations at: (800) 235-3149, Monday-Friday, 9:00 a.m.-5:00 p.m., or via e-mail at: [newyorkservicecenter@beaconhealthoptions.com](mailto:newyorkservicecenter@beaconhealthoptions.com)

Thank you again for your continuing participation with Beacon Health Options

**- New York Provider Relations**

### About this Guide

---

**The information in this guide is applicable to the GHI-BMP/EmblemHealth EPO/PPO, GHI-Medicare and accounts only. For general information about other Beacon Health Options plans, please reference our Web site at:**

[www.beaconhealthoptions.com/providers/Beacon/](http://www.beaconhealthoptions.com/providers/Beacon/)

---

## OVERVIEW

### **What are the GHI/EMBLEMHEALTH EPO/PPO Plans?**

GHI-Behavioral Management Program/EmblemHealth EPO/PPO (GHI-BMP/EmblemHealth EPO/PPO) is the term used for the mental health and substance abuse benefit plan for GHI/EmblemHealth EPO/PPO members.

GHI-Medicare Choice PPO (GHI Medicare) is a Medicare-based managed care plan.

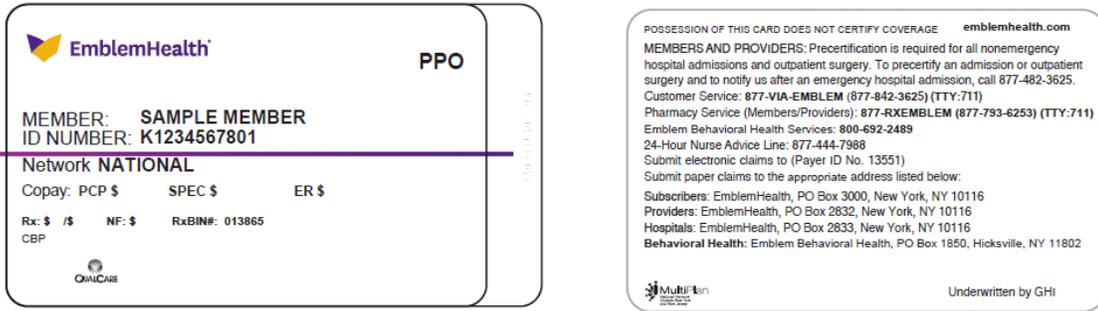

### **GHI/EMBLEMHEALTH EPO/PPO and Beacon Health Options**

Group Health Incorporated/EmblemHealth EPO/PPO (GHI/EmblemHealth EPO/PPO) is the insurance carrier. Beacon Health Options is also the claims payer for the GHI-BMP/EmblemHealth EPO/PPO plan.

Beacon Health Options is the program coordinator and utilization management (UM) company responsible for administrative tasks associated with these benefits. Beacon Health Options is also the claims payer for the GHI Medicare and plans.

## GHI/EMBLEMHEALTH EPO/PPO Members

Below is a sample card which patients use to identify themselves as a GHI/ EmblemHealth EPO/PPO member.

**! TIP:** Please be sure to get all the appropriate information from the member's benefit card prior to treatment, including: name, DOB, address and group number.

## PLAN PARTICIPATION

### Referrals & Standards

All GHI/EmblemHealth EPO/PPO members have access to a Clinical Referral Line (CRL), staffed with licensed clinicians, 24 hours a day, 7 days a week.

In order to ensure the highest possible quality of care for our members, the following referral standards have been established:

#### Risk Rating 1 - Moderate/Mild Risk, Routine (10 business days)

- A. When the member demonstrates some distress, but the precipitants of the distress and associated stressors can be easily identified and/or
- B. When the member manifests an adequate to good pre-morbid level of functioning with continuing adequate social/family supports and resources and/or

- C. When the member demonstrates mild impairment in judgment, functioning and/or impulse control and/or
- D. When a member's request can be addressed safely within 10 business days, it is considered to be a Risk Rating 1 – Moderate/Mild Risk (Routine).

### **Risk Rating 2 - Serious Risk, Urgent (24 hours)**

- A. The member is upset and distressed but not in immediate danger of harm to self or others, there is evidence of adequate pre-morbid functioning but social/ family supports have significantly changed or diminished and/or
- B. The member is displaying moderate impairment in judgment, impulse control and/or functioning which is expected to further diminish and/or
- C. The member indicates intoxication or the risk of withdrawal and/or
- D. The member indicates an urgent need to be seen

### **Risk Rating 3 – Emergency (Immediate)**

- A. Failure to obtain **immediate** care would place the member's life, another's life, or property in jeopardy, or cause serious impairment of bodily functions, or B. Member/caller indicates that failure to obtain **immediate** care would place the member's life, another's life or property in jeopardy, or cause serious impairment of bodily functions, or
- C. There exist severe medical complications concurrent with or as a consequence of psychiatric or substance abuse illness and its treatment.
  - Appointments for life-threatening emergencies are available immediately.
  - Appointments for non-life-threatening emergencies are available within 6 hours.
  - Urgent appointments are available within 48 hours.
  - Routine appointments are available within 10 business days.

## **YOUR PRACTICE PROFILE**

Your Beacon Health Options provider file is not only used to make referrals of patients to you, but also important correspondence, and claims payment.

It is therefore very important that we have the most up-to-date information on file for you at all times.

**Any changes or updates to your provider record must be submitted via  
ProviderConnect.**

**<https://www.beaconhealthoptions.com/providers/beacon/providerconnect/>**

**If you are experiencing any trouble making updates,  
Please reach out to (800) 235-3149**

---

## QUALITY REVIEWS

As part of a routine audit process, our Quality Management team may periodically request access to treatment records for select GHI/EmblemHealth EPO/PPO members for whom you are providing treatment.

If requested, please supply copies of the requested records and forward them to the Quality Management department within five (5) business days.

Records will be treated confidentially and destroyed after the review process is complete.

**! NOTE:** Release from the patient is not required in order to provide copies of these records to Beacon Health Options. HIPPA regulations allow release of records without consent in order to support operations of health care and quality reviews.

## BALANCE BILLING

The process known as “balance billing” is when an in-network provider knowingly bills an eligible Beacon Health Options member for any coverable service beyond the applicable copayment or co-insurance.

Please note that the process of balance billing is prohibited by your Beacon Health Options Individual Practitioner Agreement.

## INITIAL EVALUATIONS (90791)

An initial diagnostic evaluation (CPT code 90791) is allowed only once per patient, per calendar year.

Contracted mental health clinics can bill for two (2) initial diagnostic evaluations (90791) – one for the psychiatric evaluation and one for the psychosocial assessment.

## AUTHORIZATION

### OUTPATIENT MENTAL HEALTH

#### **Initial Certification and Continuing Treatment**

Provisions in the Federal Mental Health Parity (FMHP) legislation make preauthorization and passthrough visits unnecessary. There is no longer a preauthorization requirement for members enrolled in the GHI/EmblemHealth City of New York employee and the DC 37 Union plans along with their dependents effective 7/1/2010.

You may continue to see the member and provide services based on the medical treatment needs of the member as determined by you and your patient. Claims will be submitted and paid as per your contract and negotiated rates with Beacon Health Options. There are no benefit limits for mental health or substance abuse treatment.

In place of the previous pass through/preauthorization outpatient processes, Beacon Health Options has initiated an outlier care management model. This outlier model will focus on individual cases by diagnostic category where the course of treatment varies significantly from expected norms.

Beacon Health Options will also continue its focus on those members diagnosed with complex mental health and substance abuse illnesses. Although no precertification of the outpatient services these complex patients receive will be required, Beacon Health Options will be contacting the treating provider early in these patients' treatment regimen in order to develop, in conjunction with the provider, an individualized plan of care which may involve some reporting of the patients status similar to the ORF (Outpatient Review Form) that was previously used. The goal of this process is to insure, in cooperation with the provider, the best possible outcome for the patient.

Beacon Health Options will use a variety of indicators, in addition to their diagnosis, to identify these members and then contact the treating provider in order to create the care management plan. However, we encourage providers to contact Beacon Health Options whenever they believe they are treating a member whose care is likely to be complex so that the joint care planning process can be implemented.

\*\* With any new patient Beacon Health Options encourages providers to call the Clinical Customer Service line for GHI-BMP/EmblemHealth EPO/PPO members to verify authorization requirements, patient eligibility and responsibility and any other pertinent benefit information.

## Psychological Testing

Psychological testing is a pre-certified-only benefit.

For testing, a Psychological Evaluation Request Form listing the tests and number of hours requested is required for approval. GHI-BMP/EmblemHealth EPO/PPO will review for medical necessity and notify you in writing of their determination.

Valid Psych testing codes are 96130, 96131, 96136, 96137, 96138, 96139

## Neuropsychological Testing

CPT procedure codes 96132, 96136, 96138, 96146 are covered and processed under the GHI/EmblemHealth EPO/PPO medical contract, and does not require GHI-BMP/EmblemHealth EPO/PPO authorization. GHI/EmblemHealth EPO/PPO will pay for up to 12 hours of neuropsychological evaluations. Additional hours will be subject to a medical necessity evaluation.

## Electro-Convulsive Therapy

CPT procedure codes 90870 is covered as a medical/surgical benefit and does not require precertification through Beacon Health Options

## OUTPATIENT SUBSTANCE ABUSE

Precertification is no longer required for outpatient services for those plans that are now compliant with Federal Parity. Outpatient Substance Abuse services are authorized the same way as higher level of care (HLOC) programs are. Please see the next section for details.

## HIGHER LEVELS OF CARE (HLOC)

Requests for outpatient substance abuse and higher levels of care are reviewed by Beacon Health Options Clinical Care Managers (CCMs) utilizing Beacon Health Options clinical criteria (located at <https://www.beaconhealthoptions.com/providers/beacon/handbook/clinical-criteria/>) for mental health treatment, and the American Society of Addiction Medicine Patient Placement Criteria (ASAM PPC2R) for substance abuse related treatment.

If the member has a different primary insurer (other than GHI/EmblemHealth EPO/PPO), no pre-certification is required.

**To receive authorization, please call the appropriate customer service number listed below:**

**GHI-BMP/EmblemHealth EPO/PPO** (800 ) 619 - 0630

**GHI Medicare Choice PPO** (888) 447 - 2526

**Emblem Health** (888 ) 441 - 2526

You will be connected to a Beacon Health Options Customer Service Representative to verify basic information such as: facility tax ID#, location of service, patient eligibility, and coordination of benefits information.

A Clinical Care Manager (CCM) from the care management department will contact you back to begin the clinical review process.

## **ABOUT Beacon Health Options CLINICAL CARE MANAGERS**

Beacon Health Options places a high value on the selection, training and performance evaluation of clinical staff performing utilization management services. All staff involved in clinical care management activities hold degrees and licensure in their field. Beacon Health Options requires that Clinical Care Managers (CCMs) be fully licensed mental health professionals with a minimum of three years prior clinical experience in a mental health/substance abuse setting providing direct patient care.

## **PEER ADVISORS**

Beacon Health Options CCMs conduct medical necessity reviews utilizing Beacon Health Options clinical criteria (located at [www.ValueOptions.com](http://www.ValueOptions.com)) for mental health treatment, and the American Society of Addiction Medicine Patient Placement Criteria (ASAM PPC2R) for substance-abuse related treatment.

If the CCM is unable to approve the proposed treatment under Beacon Health Options criteria, the case will be referred to a Peer Advisor (PA) to perform additional review:

- The PA will make a decision as to the medical necessity of the requested care.
- If there is a lack of information to make a medical necessity decision, Beacon Health Options will notify the provider of the required information. This could require submission of documents or a verbal peer-to-peer review.
- If a response is not received in a timely manner from the provider, a PA may render a

**! NOTE:** A non-certification based on medical necessity will only be rendered by Peer Advisors

## APPEALS

### CLINICAL APPEALS

Any non-certification or modification of the treatment requested due to medical necessity reasons is considered an adverse determination and eligible for a clinical appeal.

A clinical appeal can be initiated by the enrollee, the enrollee's designee, or the provider via phone, fax or in writing.

Please note that the GHI-BMP/EmblemHealth EPO/PPO plans only have one level of internal appeal.

**GHI-BMP/EmblemHealth EPO/PPO** - Must be requested within

180 days of the initial adverse determination.

**GHI Medicare** - Beacon Health Options is delegated to handle appeals for this plan. Please refer to the adverse determination letter for appeal instructions or contact GHI/EmblemHealth EPO/PPO directly at (888) 447-2526.

**When the appeal review is completed, Beacon Health Options will inform the provider of the decision.**

**! Tip:** To view Beacon Health Options clinical criteria or to see more details about the appeal process, please reference the provider handbook located online at:

<https://www.beaconhealthoptions.com/providers/beacon/handbook/>

## CLAIMS APPEALS

**To appeal specific claims denials, please see below:**

**GHI-BMP/EmblemHealth EPO/PPO & GHI Medicare:**

- Call the Claims Customer Service Department at (866) 424-3195.
- Submit written inquiries (including supporting documentation) to:  
Beacon Health Options  
Attn: Appeals Department  
P.O. Box 1851  
Hicksville, NY 11802 - 1851

## CLAIMS & BILLING

### TIMELY FILING

To be considered for payment, all claims received must be “clean claims.”

A clean claim is a UB-04 or CMS-1500 claim form submitted by the provider for health care services rendered to a covered member, complete and free of defect.

**! Tip: For Outpatient Mental Health Claims, submitting a red ink CMS – 1500 form allows for quicker more accurate processing.**

Claims for GHI/EmblemHealth EPO/PPO members must be submitted within the following timeframes:

#### **GHI-BMP/EmblemHealth EPO/PPO is the Primary Insurer**

- Claims must be submitted to Beacon Health Options within 365 days of the date of service

#### **GHI Medicare is the Primary Insurer**

- Claims must be submitted to Beacon Health Options within 180 days of the date of service.

## ELECTRONIC CLAIMS

Filing claims electronically has many advantages over paper claims submission:

- Rapid submission leads to faster reimbursement
- Elimination of paperwork and easier record-keeping
- Cost-saving over submitting on paper

For the **GHI-BMP/EmblemHealth EPO/PPO** plan, participating providers, can submit claims electronically to Beacon Health Options via free Electronic Data Interchange (EDI) software.

For the **GHI Medicare** and plans, participating providers can submit claims electronically to Beacon Health Options via free Electronic Data Interchange (EDI) software.

To begin submitting electronic claims for the GHI-BMP/EmblemHealth EPO/PPO & GHI Medicare Claims Please contact the EDI HelpDesk @ (888) 247-9311 or email: [e-supportservices@beaconhealthoptions.com](mailto:e-supportservices@beaconhealthoptions.com)

## SINGLE CLAIMS SUBMISSION

An even more convenient way to submit claims for either the GHI/EmblemHealth EPO/PPO Medicare plan is to submit single claims online via the Web using the Beacon Health Options ProviderConnect service. To sign up for this convenient service, please visit the provider section at:

<https://www.beaconhealthoptions.com/providers/beacon/providerconnect/>

## MEDICARE PRIMARY CLAIMS

When a GHI-BMP/EmblemHealth EPO/PPO member has Medicare as their primary insurance, claims must be submitted to Medicare first before payment from GHI.

EmblemHealth EPO/PPO or Beacon Health Options will be considered. The Medicare Explanation of Benefits must be attached to the claim for the claim to be paid.

If you do not participate with Medicare, either a denial of services or opt-out letter from Medicare is required or the claim will be denied. Because of this requirement, Medicare primary claims cannot be submitted electronically by the provider.

## REIMBURSEMENT

All in-network practitioners will be reimbursed according to the agreed-upon Fee Schedule, less any applicable co-pay (if any). Payments will be made in accordance with NY State Prompt Pay guidelines.

Only one (1) professional visit per day per provider will be paid. Clinics can bill two (2) professional visits per day as long as a psychiatrist conducted one of the visits.

## EFT (Electronic Funds Transfer)

Instead of receiving a paper check, you can sign-up to have GHI-BMP/EmblemHealth EPO/PPO claims payments sent electronically directly into your bank account. For more information or to enroll, please call (888) 247-9311 .

## INDIVIDUAL PROVIDER CLAIMS

Outpatient Mental Health claims for individual providers should be submitted on a red-ink CMS-1500 claim form. The following minimum information is required to be considered a complete clean claim:

- Subscriber's ID/certificate number
- Last name and first name of subscriber
- Patient's first name
- Patient's date of birth
- Patient's address
- Relationship to subscriber
- DSM-IV diagnosis
- CPT procedure code(s) for each date(s) of service
- Date(s) of service
- Number of visits
- Type of service
- Place of service
- Your charge for each service line
- Total charges billed
- Tax identification number
- National Provider Identifier (NPI) number
- Name and address of facility where services were rendered (Box 32)
- Physician supplier's billing name, address, zip code and phone (Box 33)
- Rendering physician's signature
- Primary carrier's EOB (if applicable)

If the claim is a resubmission of previously denied services, please indicate on the claim that it is a resubmission. Please do not add new services that were not included on the original claim, these should be submitted separately.

## FACILITY CLAIMS

Facility paper claims for all levels of care should be submitted on a UB-04 claim form (a CMS-1500 form is acceptable for outpatient mental health services only). Special attention should be paid to the following:

- The facility name and address must appear on the UB-04 in Box 1
- The dates of service must match the dates authorized, and there must be a period start and end date in Box 6
- The facility TIN must appear on the UB-04 in Box 5
- The facility's National Provider Identifier (NPI) number must be listed
- The revenue and/or CPT codes must match the services authorized, and appropriate CPT/Revenue code descriptions must match the codes used
- For facilities that bill outpatient services on a UB-04, you must use both revenue and CPT codes
- You must be contracted for the services for which you are billing

If the claim is a resubmission of previously denied services, please indicate on the claim that it is a resubmission. Please do not add new services that were not included on the original claim, these should be submitted separately.

## CLAIMS ADDRESSES

Paper claims can be submitted to the appropriate address listed below:

**Outpatient MH Claims, Inpatient  
MH Claims, GHI Employees, GHI  
Medicare Choice PPO Claims**

EmblemHealth  
PO Box 1850  
Hicksville, NY 11802 - 1850

## TIPS FOR AVOIDING ADMINISTRATIVE CLAIMS DENIALS

Beacon Health Options and GHI/EmblemHealth EPO/PPO are committed to the efficient processing of your claims. Therefore, the following claim submission tips were created based on the most common administrative denials:

- 1. Service Was Not Authorized** - GHI-BMP/EmblemHealth EPO/PPO and GHI Medicare allow several visits with a new patient to pay automatically. If treatment is to continue beyond the initial sessions, an Outpatient Review Form (ORF2) must be submitted. (See page 5 for more information.)
- 2. Duplicate Claims** - Beacon Health Options strives to have 100% of all claims processed within 25 days. If you have not received notification within 25 days, please take the following steps prior to submitting a duplicate claim:
  - Check the claim status via the *ProviderConnect* online application at <https://www.beaconhealthoptions.com/providers/beacon/providerconnect/>
  - Call Customer Service at one of the numbers listed on page 19
- 3. Itemized Bill is Needed** - Please ensure the following elements are included when submitting a claim:
  - a. Dates of service should be listed individually on the CSM-1500 claim form (no date spans)
  - b. Date ranges can be used on UB-04 forms if care is consecutive and the same procedure
  - c. Valid DSM IV diagnosis code
  - d. Rendering provider, provider billing information and NPI number entered in appropriate areas of UB-04 and CMS-1500 forms
  - e. Appropriate and valid place of service codes with correlating appropriate and valid CPT codes
  - f. Accurate member and/or patient information including member identification number, patient name and date of birth
- 4. Authorization and Claim Do Not Match** - The services billed must correspond with the care that was registered and authorized.
- 5. Timely filing** - Claims must be submitted to Beacon Health Options within the timely filing guidelines listed on page 12. If the patient's GHI/EmblemHealth EPO/PPO coverage is not the primary insurance, the primary carrier's EOB must be attached to the claim.

## PROVIDERCONNECT

The ProviderConnect application is an entire suite of Web-based online tools designed to streamline as many of the administrative requirements of participation as possible.

ProviderConnect allows you to:

- Check the status of your claims, showing how much was paid and when
- Look up your patient's eligibility both currently and in the past
- See benefit information for your GHI/EmblemHealth EPO/PPO patients. Co-pay amounts and deductibles are listed for both in network and out-of-network care
- Check authorizations and print authorization letters

- Send an inquiry to customer service and receive a response within 5 days
- Enter an authorization request online
- Submit single claims for the GHI Medicare and GHI Family Health Plus plans

**All online and in real-time,  
24 hours a day, 7 days a week!**

### Sign up

To get started with the ProviderConnect service, simply go to <https://www.beaconhealthoptions.com/providers/beacon/providerconnect/> and click the “Provider Portal. Next, click the “Sign up here” button and fill out the simple online form.

### Tech Support

If you need help registering or logging on, please contact our EDI Helpdesk at (888) 247 – 9311 or email [e-supportservices@beaconhealthoptions.com](mailto:e-supportservices@beaconhealthoptions.com)

**! Tip: To register for ProviderConnect, you will need your 6 – digit Beacon Health Options provider ID# or your 7 – digit GHI/EmblemHealth EPO/PPO PIN#. If you do not know either of these #'s, please call Provider Relations at: (800) 235-3149**

## ACHIEVE SOLUTIONS

Achieve Solutions® is designed to help you engage your patients to actively participate in their own treatment and recovery. Beacon Health Options offers you access to credible clinical content, featuring nearly 4,000 articles on over 200 topics including: depression, stress, anxiety, substance abuse, relationships, grief, parenting/elder care and workplace issues. This site includes news items, interactive calculators and quizzes, trainings and other resources.

Information can be printed and shared with your patients during office visits or you can refer your patients directly to the site. A Spanish version of the site is also available.

To access this site, go to [www.achievesolutions.net/providers](http://www.achievesolutions.net/providers). You can also access Beacon Health Options Provider Referral Search (ReferralConnect), a fully searchable online directory that displays a list of network providers and facilities throughout the country.

## FORMS

For your convenience the most frequently used Beacon Health Options forms are available for viewing and printing online at

<https://www.beaconhealthoptions.com/providers/beacon/forms/including>:

- Change of address forms
- Substitute W-9 forms
- Outpatient Registration Forms (ORF)
- Medication management registration forms and many more
